SAMBO | COMPANY PROFILE

60 Years of Technology and Trust, Shaping the Future of Retail & Logistics

Founded in 1968, SAMBO has grown through innovation and trust.

The more than 100 intellectual property rights accumulated along the way are a source of pride and a testament to our commitment to continuous innovation.

As Korea's No. 1 shopping cart company, SAMBO has developed and manufactured display fixtures and material-handling equipment. We serve major retailers in Korea, including E-Mart, Costco, Homeplus, Lotte Mart, Nonghyup, GS Retail and Coupang. We also export our products to markets around the world, including Europe, Japan, Australia and the United States.

SAMBO will continue to create new value through innovation that anticipates the needs of customers and the market.
